Dear Mrs. Peirson:-

Since I saw you the other day I have not had any luck in finding out what could be done in getting Mr. Peirson into a Home. The only thing that I have been able to learn is that the Home for Incurables which you mentioned, will sometimes take people if they had room, but you have to guarantee to pay ten dollars a week. Possibly some one of our members may be able to guarantee this though I have not been able to find any one yet. Possibly if you should make this proposition, that is to have some one guarantee the money, the Home for Incurables might take him in.

Have you heard from anyone yet concerning your letters.

Yours very truly,

March 6, 1917.

Dear Mrs. Johnson-

[illegible] to be present [illegible]
to the meeting tomorrow p.m. Tuesday. I have not been able to say
definitely whether or not I shall be present, but if possible,
I intend to be present as long as I can. I am very much interested
in having it before the Council as long as it is a civil matter.
It is simply a case of speaking to individual persons.

If I can learn anything new I will let you know
at once.

Yours very truly,

New York March 13th, 1917.

To the Council of American Numismatic Association

617 W 155

Gentlemen

May I interest the members of the American Numismatic Assn in regards to the condition of actual want of the widow of one of your deceased life members and formerly custodian of the Assn's rooms at 617 W 155. I called to pay a visit to Mrs Robson who resides at 525 W 151 now on in years physically unable to work and very little money left of her savings which was almost all used in paying physician and medicine in the nine years her husband

was sick before he died.

A visit by your Committee may convince you of this sorrowful condition of a poor helpless widow in actual want.

Yours very truly
